ABOUT HYDERABAD

The city houses famous historical sites including Charminar, Chowmahalla Palace, Salar Jung Museum (among the world's largest private collection museum) art galleries, libraries, sports complexes, museums and theatres. The Charminar is as much the signature of Hyderabad as the Taj Mahal is of Agra or the Eiffel Tower is of Paris. The Cyber towers of the Hi-Tech City of trade and technology embodies the newfound attitude of Hyderabad and today finds a place of pride. Situated on the outskirts of the city, it is the nucleus of Cyberabad, the IT destination in this part of the world. Boating and water sports are a regular feature in the Hussain Sagar. One of the World's tallest monolithic statues of the Buddha stands on the 'Rock of Gibraltar' in the middle of the lake. Surroundings of Hussainsagar Lake provide marvellous entertainment options like NTR Gardens, Necklace Road, Tank Bund, Prasads Multiplex, Lumbini Park, Sanjeewaiah Park etc. Falaknuma Palace was built in several phases by the Nizams between 1857-1869 and this is now one of the heritage buildings. The complex comprises four palaces in Moghal and European styles of which the main palace is double storeied with the others being single-storeyed blocks.

ABOUT GNI

GNi is one of the premier Institutions in the Country, developed into gateway of knowledge and inspiration. The institution offers graduate and post graduate over 7 discipline of Engineering, Management and Pharmacy. Around 9000 students from all over the country and more than 200 international students from various countries are part of academics. 700 plus strong team of faculty members are imparting academic instructions through research and Innovation. The Infrastructure includes separate building for every department, residential accommodation for 1500 boys / girls and teaching fraternity. The ambience of campus is serene and pristine. The academic blocks are inter spaced with vast green patches of lawns giving soothing and rejuvenating atmosphere. GNi Decode IT Park (Digital Engineering Center for offshore and Domestic Enterprises) is India's First IT Park within our Institution campus providing Part Time Employment to Current Students and Full time Employment to Passed-out Engineers. The Institution has been awarded "Best Place to Innovate" in UXINDIA-13 International Conference, at IIM Bangalore, "Excellent Innovative Institute in AP" award by Consortium of Communication Media and Infrastructure CCMAI and "Award of Excellence" for Guru Nanak Educational Society by JNTUH. This Institute is hosting 6 International Conferences besides publishing 6 International Journals every year.

HIGHLIGHTS OF GNI

- Spacious and pollution free campus

It has more than 1 lakh members as of now, including India's most famous IT leaders. CSI takes pride in being a largest of professionally IT society.

THEME : ICICSE- 2021

The aim of the international conference on innovations in Computer Science & Engineering (ICICSE-2021) is provide a platform for researchers, scientists, technocrats, academicians and engineers to exchange their innovative ideas and new research findings in the field of Computer Science & Engineering till the end of 2020. The Conference will boost excellent innovations in terms of the day to day life academics. The Proceedings of the conference will unleash a package platform for innovative ideas into a single unit. The first two conferences (ICICSE-2012 & ICICSE-2014) were major success with more than 300-4000 papers received from across the globe and more than 250 delegates from Indian states and other countries presented their research papers/concepts. The next six international conferences (ICICSE-2015, ICICSE-2016, ICICSE-2017, ICICSE-2018, ICICSE-2019 & ICICSE-2020) were conducted and they added new feathers on the conference cap by collaboration with Springer series to publish research papers. More than 500 papers were received in each year from all over globe and research papers were published in LNNS Springer series (SCOPUS INDEXED), special issues of journals of JICSE & JIIT and proceedings with a valid ISBN number.
